Hearts.vp3**
used to make
this handbag

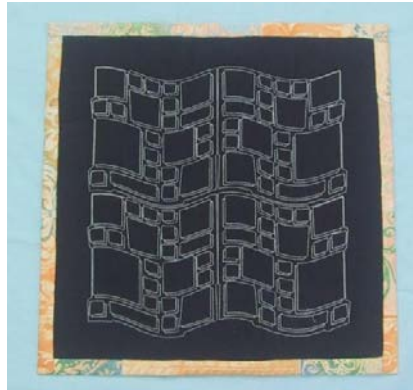

The 43 designs have the potential to be 100s if you own the 3D or 4D software

- Delete sections
- Add your existing designs into empty spaces
- Put in colour changes
- Use the stitch-slider and make blocks from visible areas
- Use sections to create designs for other hoop sizes
- Use *Stitch Editor* and global morph for a completely new look

Original Design

Morphed Designs:

Wave

Sphere

The 2 morphed
designs are
not on the CD
